

**Russ Dennis
Obituary
July 12, 2026**

Russell Dennis died from his battle with cancer on July 12, 2026, at the age of 83, 4 days before our 49th anniversary. He was born and raised in Sacramento, CA. He graduated from McClatchy High School in 1960 and went on to the University of Oregon with his pitching skills providing a baseball scholarship.

He was recruited from Shell Oil Co directly out of college. He worked in Anacortes and Washington before being transferred to Houston where he retired after 36 years of service.

He enjoyed life and supported our kids in all of their dreams and endeavors. He shared his love of sports with our boys and was their biggest fan as they played their sports year round. Our life was filled with love, respect and a deep friendship.

He is survived by his wife, Laura, three sons and daughter-in-law's, 11 grandkids and seven great-grandkids. His friends are innumerable. If a life can be measured by how well he loved people and how much he was loved in return, Russ's beautiful life was a resounding success. He will be MISSED!!
