

OBITUARY
Roger N. Underwood
February 12, 1943 - February 4, 2018

Roger N. Underwood, 74, of Orange, California, passed away on February 4, 2018. Roger was born on February 12, 1943. He had been in and out of the hospital over the last few months.

Roger was an extraordinary leader of many. He always allowed most employees to find their own solutions but was always available when he was needed. He was a 'hands-on' guy but really encouraged those around him to be their own leaders. Roger worked for a number of years for Shell Pipe Line Corporation, West Coast Division and then retired as he was a big part of The SPLC West Coast History. He is survived by his wife Phyllis, three children, and five grandchildren.

There will be a private Memorial Service on March 3, 2018, in Orange, California.
